

JUNIOR 260MM OVERSIZE DISC KIT

FLOATING DISC

The Flame Junior 260mm Kit offers bolt-on performance which significantly improves stopping power and brake control compared to standard discs.

DESIGN & FUNCTION

- » Flame design offer optimal cooling and unsurpassed smooth and more predictable braking action, which allows you to brake harder.
- » Lightweight design.
- » A must have for mid level to professional juniors looking for a performance advantage.
- » For best performance we recommend using Moto-Master brake pads with the matching pad compound that best suits your type of riding.
